**Senior Living
with Assistance**

You will sense something very different at Riverbend. It's something you will notice immediately - this is the kind of place you could easily call home.

While it may seem overwhelming to navigate the maze of services that are available to seniors, Riverbend brings together services, amenities and a hospitality that will meet your individual needs.

You will find two separate and distinct lifestyle options available - Senior Living with Assistance and Memory Care. Each option has its own features and services to assist you with just the right personal touches. You've worked hard all your life; now you deserve all that Riverbend offers.

Riverbend | Assisted Living

Riverbend is everything Assisted Living should be.

Gather in the main lobby and enjoy time with friends while sitting next to a warm fire or listening to relaxing sounds of the fountain. Play cards with friends in one of the many lounges or sit and read a book in the quietness of the loft. Or, stay active by attending one of the many planned social, recreational or educational programs. Assisted Living at Riverbend is designed to allow you to live as independently as possible, but to also have the peace of mind that comes from knowing that a caring person is available to give assistance with daily living activities or emergencies. Riverbend provides you with the independence you want and the assistance you need.

Spacious apartments offer you many amenities of home, plus beautiful views of the Amery Golf Course and South Twin Lake. Our studio and one-bedroom apartments come complete with their own kitchens and private bathrooms. Enjoy fine restaurant-style dining, no housekeeping or chores and planned entertainment - Riverbend exists to provide the utmost in catered living.

Quiet Pines | Memory Care

A distinct community within Riverbend.

Quiet Pines recognizes the distinct needs of each person with memory loss.

The ten private apartments, complete with private bath, kitchen and ample living area, provide residents a sense of security and ownership. Quiet Pines offers a beautiful, comfortable and secure environment with wonderful meals served family style, health monitoring and social, recreational and educational opportunities that are specifically planned for those with memory loss.

Quiet Pines staff assists residents in making the most of their strengths and abilities, allowing residents to feel included and stay a part of the social world. All Quiet Pines staff are specifically trained in memory loss care. The staff bring meaning, purpose and pleasure to each resident's day through programs and services designed especially for persons with memory loss.
